Dear Mr. Lumgair:

We have completed our review of the Luminary Air Group, LLC (LAG) Quality Assurance Manual. The submitted data meets Title 14 Code of Federal Regulations (14 CFR), Part 21, §21.307 for a Parts Manufacturer Approval (PMA).

The Federal Aviation Administration approves the submitted data. The FAA reserves the right to require such changes, additions, or clarifications that may become necessary as a result of subsequent inspections and/or audits. Please maintain a copy of this letter with your manual as evidence of approval.

Document Name: Quality Assurance Manual

Document Number: LQMS-10000

Revision: B

Date: January 3, 2017

Sincerely,

A handwritten signature in black ink, appearing to read "Jay Handzel".

Jay Handzel
Principal Inspector

Subject: Closure of *Non-regulatory concerns identified during FAA Preliminary MIDO Audit December 12 – 15, 2016*

This office has received your corrective action response dated January 6, 2017. Luminary Air Group, LLC (LAG) has provided our office with information and actions taken for the eight (8) Non-regulatory concerns documented in our FAA letter dated January 4, 2017.

After careful review this office has determined the adequacies of your corrective actions are acceptable to this office. Additionally, LAG has provided copy evidence of the revised Quality Assurance Manual (QAM).

This office now considers these Non-regulatory concerns closed. Please note, a separate approval letter will be sent to your attention for the revised Quality Assurance Manual indicating the latest revision and date.

If you have any questions concerning the contents of this letter, please do not hesitate to contact this office at (717) 782-4425, x230.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Handzel', written over a horizontal line.
